

2011 ADGA SPOTLIGHT SALE

10:00 A.M. Saturday, October 22
Crowne Plaza Hotel
Grand Rapids, Michigan

*Don't miss this golden opportunity to add
some of the nation's finest genetics
to your breeding program!
Bid in person or by proxy.*

ATTEND THE ANNUAL ADGA SPOTLIGHT SALE AND BUY A FOUNDATION ANIMAL FOR YOUR HERD OR ADD AN OUTSTANDING INDIVIDUAL TO YOUR PRESENT BREEDING PROGRAM! This year 12 outstanding animals, representing herds from across the nation, are being offered for sale. It all happens on Saturday, October 22nd - the last day of the American Dairy Goat Association convention in Grand Rapids, Michigan. Pedigrees and pictures of all the consignments are on the following pages. Look them over and then make plans to bid in person or by proxy at the prestigious Spotlight Sale.

PROXY BIDDING: If you cannot be at the Sale in person, proxy bidding is available by sending a letter to the American Dairy Goat Association (ADGA), P.O. Box 328, Spindale, NC 28160. State the highest amount you will pay for a particular consignment(s). Enclose your check or money order for that amount. The ADGA staff will see to it that your bid is placed as if you were placing it yourself and will try to buy your choice(s) for the lowest amount possible. All bids are held in strictest confidence. Send enough money - you won't want to miss out for lack of a few dollars.

TERMS: The Spotlight Sale Committee has selected animals of the finest breeding available. Local veterinarians will inspect the animals prior to the sale and monitor their condi-

tion up to sale time. Announcements will take precedence over all other information. All animals will be available for inspection prior to the sale and have been CAE tested - results of test will be available.

The Spotlight Sale Committee, auctioneer and ADGA act as agents only and are not in any way responsible for animal health or registration, but will collect health and registration certificates. Registration certificates will be forwarded to ADGA for transfer once checks have cleared.

The sale committee has accepted consignments with reasonable bottom limits and bid animals to this hold price if necessary. These hold prices are fair market value for the quality of stock offered. Bidding up of a consignment over the preset hold price or bidding in by the consignor or his/her agent are unethical. It is also unethical for the consignor to make public or private promises to include additional animals, since this sale is for the individuals listed in this catalog.

Pedigrees, production records, linear appraisal scores and national show wins listed in the catalog are provided through the ADGA Performance Pedigree data base. Additional and updated information may be provided in advertisements and announced at the sale and are furnished by the consignor only. Bucks who have semen collected and frozen will be announced prior to sale.

Animals will not be sold in lot number order. Sale order is determined by the sale committee and announced prior to the sale.

Shipping arrangements can be made in advance of the sale with the host committee or the Spotlight Sale co-chairs. Arrangements should be made prior to the sale. Animals will be released after the sale once they have been paid for by check, money order or credit card and a release is provided by the sale staff.

As per the recommended trade practices for members, the seller guarantees the fertility of bucks sold. Should a buck prove to be a non-breeder the buyer shall provide sufficient proof such as a statement from a veterinarian that said buck is sterile. The seller shall have the option of making satisfactory exchange or refunding the purchase price. In no case shall the seller pay any shipping charges involved in the exchange. If the animal is a doe, there is no guarantee of fertility except where hermaphroditism becomes apparent when the animal reaches breeding age. A doe sold as bred is not guaranteed to be pregnant but only to have normally accepted service from a buck.

CONTACTS: Committee co-chairs are Kristina Bozzo-Baldenegro, PO Box 576, Plymouth, CA 95669, 209-245-3353, goatjudg@aol.com and Bill Newton, 2205 Thornton Rd., Sinclairville, NY 14782, bnewton@integrityagsystems.com, 716-962-2463.
